

HOLD FAMILY REUNION AT THE EXPOSITION

Members of the Chappell-Dickie-Garlington-Adams Families to Gather.

TO BE THE BEST OF ALL

Fifth Gathering Since the Association Was Formed and to Be Largely Attended.

Not a few family reunions have taken place this year during the Jamestown Exposition, but what will perhaps be the largest of all is scheduled for next Friday, October 25th, at 12:30 P. M. in Convention Room No. 2 of the Auditorium.

The Chappell-Dickie-Garlington-Adams-Reunion, held first in 1895, is one of the pioneer organizations in the South, and the coming meeting is the fifth gathering of "the clan," which now numbers nearly 1,000, scattered over twenty-one States, especially in the Southern and Southwestern States. The first meeting was held November 2, 1895, at the Atlanta Exposition; the second at Richmond in June, 1896, during the Confederate Reunion; the third meeting took place in Nashville in October, 1897; the fourth at St. Louis Exposition, three years ago, at which time Samuel L. Adams, the vice-president, invited the coming to meet this year at the Jamestown Exposition.

The officers are: Hon. Philip E. Chappell, of Kansas City, Mo., president; Samuel L. Adams, of Cluster Springs, Halifax county, Va., vice-president; and Clifton T. Chappell, of Macon, Ga., secretary. The moving spirit of the organization is President Chappell, formerly Mayor of Jefferson City, and later Treasurer of the State of Missouri. At present he lives in Kansas City, and is interested in banking, but he found time to compile a genealogy which his kinsmen and their descendants will appreciate for generations to come.

Some of the noted characters of former generations of this family are: Hon. Absalom H. Chappell, Congressman for years from South Carolina; Samuel Adams, the third governor of Arkansas; and Hon. R. J. Bugge, a distinguished jurist of Kentucky. Some of the eminent members who still live are Hon. J. Chappell Compton, ex-Lieutenant-Governor of Alabama, residing at Selma; General E. A. Garlington, of the United States army; Judge R. J. Bugge, Jr., of Bardwell, Ky.; Judge John L. Adams, of Houston, Tenn.; and Judge Harvey L. Adams, of Coke, Texas. It is remarkable how many judges the family connection have furnished.

Judge R. J. Bugge, of the First Kentucky Judicial District, recently pre-

sided at one of the most unique trials ever held in the country. A negro charged with attempting an atrocious crime, and about to be lynched, was put aboard a train going towards the State prison. He was taken in the baggage car, where Judge Bugge held court, convicted and sentenced to a long term while the train was speeding at a forty-mile rate. Later, the culprit was railroaded to penitentiary, but a lynching was averted.

ONE WEAK SPOT

Most Richmond People Have a Weak Spot and Too Often It's the Back.

Everyone has a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up, day and night. Tells you the kidneys need help. For backache is really kidney-ache. A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys. Cure backache and all urinary ills. Richmond people recommend the remedy.

Professor J. Stanley Reynolds, living at 620 N. 5th Street, Richmond, Va., says: "I gave a statement recommending Doan's Kidney Pills in 1903, and now at this time (July 23, 1907), I can speak just as highly of them and it gives me great pleasure to confirm everything I said in my previous statement. There is no doubt that Doan's Kidney Pills is a remedy that acts up to its representation. I have had no return of the trouble since they cured me four years ago and my kidneys now act normally. I am absolutely free from backache."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
